NOTATION.

Book mark: 3888 A. 1887

Adjutant General's Office,

WAR DEPARTMENT,

Washington, September 5th, 1887.

He was tried before a Gen'l Court Martial which convened at Louisa Ky. March 31 1863. for desertion. Specification. In this, that x x x did on or about the 5th day of October 1862 desert his post while on picket duty and did remain away from his Company and regiment until the 29th day of March 1863 was found guilty and sentenced to forfeit to the United States all pay and allowances due him, and to have one side of his head shaved, and to be publicly drummed out of the service of the United States, with ordered and attached with the word deserter written legibly thereon

A M M

Copyist.

(128)

The proceedings &c. of the Court were approved by the Commanding Genl. District of Eastern Ky.

As this man was convicted of desertion by a General Court Martial the sentence of which appears to have been carried into execution (so far as not waived by the Government), the charge of desertion of October 5th 1862 no longer stands against him. The record of the fact that he was absent in desertion from Oct 5th 1862. to on or about March 29. 1863. cannot however be expunged.

ARTICLES OF WAR.

ART. 95. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

DIRECTIONS.

NOTE 1.—One copy of the inventories of the effects of deceased non-commissioned officers and soldiers, required by the 95th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. Lieutenant Col. R. R. Mattby, of the 10th Regiment of Ky. Record and Pension Office,

WAR DEPARTMENT,

Washington, Sept 15, 1896.

This man deserted on or about January 21, 1863, and returned on or about May 10, 1863. As he was subsequently restored to duty by S.O. #204 Dist. of Ky without trial, but upon conditions which appear to have been complied with so far as not waived by the Government, the *charge* of desertion no longer stands against him. The record of the *fact* that he was absent in desertion from on or about Jan. 21, 1863, to on or about May 0, 1863, cannot, however, be expunged

Sir:

Sometime ago I forwarded to you a full and complete statement of my case, that I was carried from prison to prison as a deserter until finally sent home to get rid of me, never given any discriptive list, and refused all pay &c, until discharged from service, and asked you to order my muster out. and recd. in reply a letter from you which I am close herewith, In accordance with instructions in your letter - I reported at Cincinnati Ohio, and was informed, that I could not be mustered out without a "discriptive list," that you could muster me out at any time, that your directions was of no account without a "discriptive list." I am a poor man, not able to bear the expense of taking the necessary steps to right myself, and I would therefore respectfully ask you what I can do in the matter. - until I can procure my discharge I cannot get the pay due
